

cpp/MultimediaObject.h

```
graph TD; A[cpp/MultimediaObject.h] --> B[string]; A --> C[iostream]; A --> D[fstream];
```

A diagram illustrating the dependencies of the file `cpp/MultimediaObject.h`. The header file is shown in a grey box at the top. Three blue arrows point downwards from it to three separate white boxes below, labeled `string`, `iostream`, and `fstream`, indicating that the header file includes or depends on these standard C++ libraries.

string

iostream

fstream
